**ADMINISTRATIVE AMENDMENT NO. 1
TO THE
COOPERATIVE PROJECT AGREEMENT
THE NEW STUYAHOK TRADITIONAL COUNCIL
NEW STUYAHOK, ALASKA**

PROJECT NO. AN 05-GF8

DATE OF AMENDMENT:
December 2007

A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

New Stuyahok Traditional Council	=	Council
Alaska Native Tribal Health Consortium	=	ANTHC
Division of Environmental Health and Engineering	=	DEHE
State of Alaska Dept. of Health & Social Services	=	AK DHSS

On November 20, 2006, ANTHC and the New Stuyahok Traditional Council executed a Cooperative Project Agreement (CPA) for the provision of the completion of the design studies and construction planning for a new multi-use building in New Stuyahok, Alaska. The building will include a clinic and domestic violence facility. No construction will be performed under this project phase.

This project is funded by the Denali Commission and the AK DHSS.

B. RECOMMENDED CHANGES

Subsequent to issuing the November 20, 2006 CPA, it was discovered that the cost estimate table did not accurately reflect the allocation of the Funding Sources for this project. This amendment corrects those allocations. The Total Cost does not change as a result of this amendment.

B 1. Revised Cost Estimate Table

Job Type	Scope of Work	Qty	Units	Unit Cost	Total Cost	Funding Sources	
						Denali FY05	AK DHSS FY06
M-DS	Design Multi-use building that includes clinic and domestic violence facility	1	LS	244,094	244,094.00	0.00	244,094.00
New Stuyahok Award					\$244,094.00	\$0.00	\$244,094.00
M-CB	ANTHC Support Services Charges				57,556.00	56,650.00	906.00
Total Award					\$301,650.00	\$56,650.00	\$245,000.00

This document constitutes Administrative Amendment No. 1 to the CPA for Health facility design in New Stuyahok, Alaska. All other sections of the original CPA remain in effect as agreed upon and executed.

MEMORANDUM

DATE: November 23, 2007

FROM: Riki Lebman, Environmental Coordinator 

SUBJECT: CPA Project No. AN 05-GF8
New Stuyahok Design Studies Construction Planning Project
Environmental Consideration

TO: FOR THE RECORD

The project scope is to design and perform preliminary construction soil testing for a multi-use building in New Stuyahok, Alaska. An environmental review for the design work and construction testing was completed November, 2006 under Project No. AN 05-GF8.

The ANTHC will revisit environmental reviews of these projects to determine if potential environmental concerns have been addressed if the scope of work changes. A copy of the environmental review is available upon request.
